Federal Credit Union

Lawrence County's First Choice for Lending and Savings

A Little About Us

First Choice Federal Credit Union was originally **chartered in 1952**. At the time we were known as the B&O New Castle Employees Federal Credit Union and were the primary credit union of the Baltimore – Ohio Railroad.

Through the years we were able to grow our field of membership by taking in SEGs or Select Employee Groups. These were local companies that would extend the credit union services as an advantage to their employees.

We have also always offered **full family membership**. Any family member of an existing member is eligible to join and take full advantage of all credit union products and services.

In 2000, we expanded our field of membership to open our doors to include **anyone who lives, works, volunteers, or attends church or school in Lawrence County**. Along with our new charter came our new name and eventual new locations.

We are a progressively managed credit union with our members' interests at heart. We believe that the slogan, **"People Helping People"** is more than lip service. We strive to meet our members' financial needs daily.

How DO I GET ACCESS TO MY MONEY?

There are so many ways! You can access your funds in any and all of the following ways:

- ◆ Visit any of our **Three Convenient Locations** within Lawrence County
- ◆ Use your real-time **First Choice Federal Credit Union Debit Card** at any ATM Machine or get **Cashback** at a point of sale. We are part of the MoneyPass network that allows members to use over 40,000 surcharge free ATMs all over the Country.
- ◆ Use your **First Choice ATM Card** that accesses the same MoneyPass Network.
